SUBJECT: ENCOURAGING RECOGNITION OF KOSOVO

REF: A. (A) SECSTATE 15111 (B) PARAMARIBO 0056

- [1](#)B. (C) STATE 13716
- [1](#)C. (D) STATE 1087

Classified By: DCM Thomas R. Genton for reason 1.4 (D)

[1](#)1. (C) As previously noted in reftel B, DCM met on February 8 with Ministry of Foreign Affairs Acting Head of the International Organizations Rosita Hubard, who indicated that the GOS does not support independence for Kosovo, citing "territorial integrity and unity of the state." Despite entreaties, and barring extraordinary developments, Post does not expect the GOS position will change.

[1](#)2. (C) DCM is pursuing a follow-up meeting with the Head of Protocol or Permanent Secretary of the MFA, but due to the MFA's cumbersome, bureaucratic process for requesting appointments, that meeting will not likely occur until the middle of the week of February 17.

[1](#)3. (C) COMMENT: As noted above, Post does not expect Suriname to change its previously stated position. It is not in the Surinamese political nature to take a stand on matters outside of its rather narrow world view. However, if significant numbers of Caricom members were to express support for Kosovar independence, the Embassy would be in a slightly stronger position to press for support.
